NARRATIVES

scene.

Chicago Police 004th District personnel responding to the scene established an outer perimeter to protect the integrity of the scene inside for any and all evidentiary value. Upon arrival to the scene at approximately 0235hrs, Reporting Detective located and interviewed the assigned Patrol Division paper unit, Bt 465C PO R. Lobianco #16764 and PO K. Fry #15329, who related a brief synopsis of the events that transpired concerning this investigation. Bt 465C further related they immediately called for additional police assistance, the Mobile Crime Lab, and the Area Two Detective Division as their preliminary investigation indicated that active members of the Chicago Police Department had discharged their duty weapons in the direction of an armed offender subsequently striking the offender. Bt 465C also directed Reporting Detective to the involved officers: nka Bt 406E PO A. CABRAL #4855 and PO R. HERNANDEZ #5655, and Bt 433R PO J. BELMONTES #8414, who were all separated in independent police vehicles from each other waiting to be interviewed by Reporting Detective.

At this time, Reporting Detective directed Bt 5229, Det T. Downes #20639, to individually interview PO A. CABRAL #4855, PO R. HERNANDEZ #5655, and PO J. BELMONTES #8414 for an account of their actions.

PO A. CABRAL....

Bt 5229, Det T. Downes #20639, interviewed PO CABRAL who related the following in summary though not verbatim. PO CABRAL related he and his partner, PO HERNANDEZ #5655, were working in civilian dress with their vest, star and duty belt visible assigned to Bt 406E. PO CABRAL then related while he was driving in the vicinity of 9800 S Ewing Ave they monitored a call of a man holding his family at knife point at the location of 9544 S Ave "L" 3rd Fl. At this time, PO CABRAL drove to the listed address and observed they were the first unit to arrive on scene. PO CABRAL added upon their arrival to the scene several unknown citizens on the street pointed up to the third floor apartment to show them where the disturbance was coming from. PO CABRAL related the front door of the building's main entrance was blocked from within by a shopping cart, and he attempted to open the door with his shoulder. PO CABRAL then related a male black individual moved the shopping cart and asked the officers if he could get his child who was inside the apartment. PO CABRAL related he was first to walk up the stairs and when he reached the third floor landing he observed a small boy, about three years of age, on the landing. PO CABRAL grabbed the boy and handed him back to PO HERNANDEZ.

PO CABRAL related the 3rd floor apartment door was partially open, and he entered the apartment while PO HERNANDEZ stood in the doorway. Upon entering the apartment, PO CABRAL observed a male black, nka Karaka WALLS, with a knife in his right hand. At this time, WALLS yelled out he would "cut" him, in which PO CABRAL took to mean he himself. PO CABRAL added WALLS yelled out several other inaudible statements, but he was unable to understand what was being said. PO CABRAL related WALLS continued to wave the knife around, as well as, refused several demands from him and PO HERNANDEZ to drop the knife. PO CABRAL then related he heard additional officers arrive on scene and observed PO BELMONTES enter the apartment. At this time, all of the officers yelled several times for WALLS to drop the knife in which WALLS refused. PO CABRAL further related WALLS turned the knife with the blade down and raised the knife over his head advancing towards them as PO BELMONTES was closest to WALLS. With WALLS almost on top of PO BELMONTES and fearing for PO BELMONTES safety, PO CABRAL discharged his weapon five or six times in the direction of WALLS.

PO CABRAL related although WALLS was struck by gunfire several times he still maintained control of the knife in his hand. PO CABRAL approached WALLS who at this time was lying on the floor, and kicked the knife from his right hand as WALLS made another furtive movement. PO CABRAL related an ambulance was requested for treatment of WALLS' injuries. PO CABRAL then related his immediate supervisor and additional police units were also requested to respond to the scene.

PO R. HERNANDEZ....

Bt 5229, Det T. Downes #20639, interviewed PO HERNANDEZ who related the following in summary though not verbatim. PO HERNANDEZ related he and his partner, PO CABRAL #4855, were working in civilian dress with their vest, star and duty belt visible assigned to Bt 406E. PO HERNANDEZ then related he was the passenger while PO CABRAL was driving in the vicinity of 9800 S Ewing Ave when they monitored a call of a man holding his family at knife point at the location of 9544 S Ave "L" 3rd Fl. PO HERNANDEZ related when they arrived unknown citizens on a porch to the south of the scene pointed in the direction of 9544 S Ave "L" 3rd Fl. PO HERNANDEZ added that an unknown female stated someone in the apartment had a knife. PO HERNANDEZ also related the front door of the building's main entrance was blocked by a shopping cart. PO HERNANDEZ then related the shopping cart was moved by an unknown male black who stated that someone upstairs had a knife. At this time, PO HERNANDEZ and PO CABRAL walked up the stairs leading to the 3rd floor apartment when they heard screams coming from the apartment. As the two officers approached the third floor landing PO HERNANDEZ observed a boy, about three years of age. PO HERNANDEZ related that PO CABRAL grabbed and handed the boy to him. PO HERNANDEZ then turned and handed the boy over to the unknown male black who had removed the shopping cart. PO HERNANDEZ related when he looked into the open door of the 3rd floor apartment he observed a male black, nka Karaka WALLS, with a knife in his right hand. PO HERNANDEZ then related he stood in the doorway as PO CABRAL entered the apartment. At this time, PO HERNANDEZ and PO CABRAL ordered WALLS numerous times to drop the knife. PO HERNANDEZ then related WALLS stated, "Fuck you, you drop the guns!" PO HERNANDEZ further related WALLS then moved closer to them as he still held the knife. PO HERNANDEZ heard other assist units arrive on scene and observed PO BELMONTES enter the room by ducking under PO HERNANDEZ's arms. PO HERNANDEZ, as well as, PO CABRAL and PO BELMONTES continued to order WALLS by yelling for him to drop the knife. PO HERNANDEZ observed WALLS raise the knife above his head and move forward in their direction. In fear for the safety of himself and his fellow officers, PO HERNANDEZ discharged his weapon five or six times in the direction of WALLS and observed WALLS struck by gunfire several times. PO HERNANDEZ added WALLS was less than four feet from PO BELMONTES, when he himself

NARRATIVES

discharged his firearm.

After WALLS fell to the floor, PO HERNANDEZ observed PO CABRAL walk up and kick the knife from WALLS' hand as WALLS was still moving. PO HERNANDEZ related an ambulance was requested to respond to the scene for treatment of WALLS' injuries.

PO J. BELMONTES....

Bt 5229, Det T. Downes #20639, interviewed PO BELMONTES who related the following in summary though not verbatim. PO BELMONTES related he and his partner, PO SKIBINSKI #10917, were working in full uniform with their vest, star and duty belt visible assigned to Bt 433R. PO BELMONTES related they received a radio assignment of a man holding his family at knife-point at the location of 9544 S Ave "L" 3rd Fl. PO BELMONTES added that he recognized this address as being there for prior calls and as recent as a couple of days prior to this incident. PO BELMONTES then related upon their arrival to the scene he observed that Bt 406E was already on the scene. PO BELMONTES further related as he walked up the stairs leading to the 3rd floor apartment he heard Bt 406E yelling for someone to "drop the knife!" PO BELMONTES related when he reached the third floor landing he observed PO HERNANDEZ standing in the doorway with his duty weapon drawn and arms extended forward. At this time, PO BELMONTES ducked under PO HERNANDEZ's arms and entered the living room settling between PO CABRAL and PO HERNANDEZ. PO BELMONTES added he also observed PO CABRAL with his duty weapon drawn and arms extended forward. Both PO CABRAL and PO HERNANDEZ had their duty weapon pointed in the direction of a male black, nka Karaka WALLS, who was wielding a knife in his right hand. PO BELMONTES then related WALLS was yelling inaudible things, and he was not certain what WALLS was saying. PO BELMONTES subsequently drew his duty weapon and ordered WALLS several times to drop his knife. PO BELMONTES related WALLS turned the knife with the blade down and raised the knife over his head as he advanced towards the officers. PO BELMONTES further related he was in fear for the safety of his life and gave WALLS a final order to drop the knife. When WALLS did not comply with PO BELMONTES' order, PO BELMONTES discharged his duty weapon five or six times in the direction of WALLS and observed WALLS struck by gunfire several times. PO BELMONTES added WALLS was less than three feet away when he discharged his weapon.

PO C. SKIBINSKI....

Bt 5229, Det T. Downes #20639, interviewed PO SKIBINSKI who related the following in summary though not verbatim. PO SKIBINSKI related she and her partner, PO BELMONTES #8414, were working in full uniform with their vest, star and duty belt visible assigned to Bt 433R. PO SKIBINSKI added she was seated in the passenger seat of a marked squad car driven by PO BELMONTES. PO SKIBINSKI related they received a radio assignment shortly after 0140hrs concerning a man holding his family at knife-point at the location of 9544 S Ave "L" 3rd Fl. PO SKIBINSKI related when they arrived at the location of the Domestic Disturbance they observed that Bt 406E was already on scene. PO SKIBINSKI then related as she exited her squad car she heard yelling from inside the address. While PO SKIBINSKI walked up the stairs leading to the 3rd floor apartment she heard PO CABRAL and PO HERNANDEZ shout several times, "drop the knife!" Upon reaching the third floor landing, PO SKIBINSKI observed PO HERNANDEZ with his duty weapon drawn and his arms extended as he stood in the apartment doorway. PO SKIBINSKI then related PO BELMONTES entered the apartment as she took a position on the landing. When PO SKIBINSKI looked inside the apartment she observed a male black, nka Karaka WALLS, standing in the living room with a knife in his right hand. PO SKIBINSKI added she observed PO CABRAL inside the apartment also with his duty weapon drawn and his arms extended in the direction of WALLS. PO SKIBINSKI further related all three officers constantly shouted out for WALLS to drop his knife. PO SKIBINSKI observed WALLS to be only a few feet from the officers as he lunged at them with the knife. PO SKIBINSKI related she heard five or six gunshots, and observed a [redacted] nka [redacted] run towards WALLS as he lay on the floor. At this time, PO SKIBINSKI grabbed [redacted] and took [redacted] downstairs. [redacted] told PO SKIBINSKI that WALLS was "smoking weed and drinking" and that WALLS threatened "he was not gonna let anybody live."

Reporting Detective also requested 004th District personnel to transport witnesses: nka [redacted] all of whom were willing to be relocated to the Area Two Detective Division for formal interviews. 004th District personnel subsequently transported listed witnesses to the Area Two Detective Division.

Reporting Detective learned from Bt 5283, Det M. Hablak #20221, and Bt 5276, Det J. McGuire #20016, that they canvassed the entire area for possible witnesses. Results of this canvass will be documented on a separate Canvass Supplemental Report and should be read in conjunction with this and all other reports filed under this Record Division number and Record Division number: HT-649832.

Reporting Detective also learned from Bt 5283 and Bt 5276 that during their canvass they interviewed circumstantial witness, [redacted] who refused to relocate to the Area Two Detective Division for a formal interview. [redacted] related the following in summary though not verbatim.

[redacted]

NARRATIVES

Reporting Detective subsequently noted the crime scene had a perimeter cordoned off in front of the scene (apartment building marked as 9544) with red crime scene tape denying access to a wooden front porch which leads to the front door of the building's main entrance located at 9544 S Ave "L". It should be noted that it was not necessary for the Patrol Division personnel to cordon off an inner perimeter of the crime scene in that the staircase from the porch's main entrance (already cordoned off) door to the 3rd floor apartment leads directly up to the 3rd floor apartment door. Although the crime scene was located inside of the 3rd floor apartment, Reporting Detective noted the immediate area surrounding the outside of the scene consisted of brick and frame multi-family residences. Reporting Detective also observed a CPD POD camera #107 (POD Video Retrieval request was completed under request id #: 16308 by Det Downes) located on the corner located at 9559 S Ave "L". The 9500 block of S Ave "L" is a two-way divided (no median) two lane paved street with overhead street lighting and a flow of traffic travelling north and southbound.

Reporting Detective also observed the weather to be clear and cold with an approximate outside temperature of 30dgs.

Upon entering the crime scene, Reporting Detective noted a staircase that leads from the main entrance (facing e/b) up to a small third floor landing in front of the main entrance door (facing n/b) for the 3rd floor apartment. Reporting Detective observed the 3rd floor apartment door to be opened all of the way and swing east into the apartment. The living room (actual crime scene) is the first room south of the main doorway containing from left to right a single sized mattress and box spring on a bed frame, a full sized couch, a half sized couch, a TV on top of a stand with an in-wall bookcase behind the TV, and a stationary gas space heater located on the north wall just west of the door frame of the main entrance door. Adjacent to the east of the living room is the front room with the front bedroom adjacent to the north of the front room. Adjacent to the north of the living room is a middle bedroom with the back bedroom adjacent to the west of the middle bedroom. Adjacent to the west of the living room is a bathroom with the kitchen adjacent to the west of the bathroom and a small hallway separating the living room and kitchen entrance.

It should be noted that Reporting Detective drew a field sketch diagram (not to scale) of the scene.

Reporting Detective observed several spent shell casings on the 3rd floor landing, as well as, several spent shell casings and bullet fragments located in the living and front rooms. Reporting Detective also observed WALLS' remains to be on the floor on the west side of the living room and at the east entrance into the hallway. Reporting Detective further observed in the hallway on the floor west of WALLS' remains a black handled knife with a bloody 7" blade (Inv #: 12500784).

Reporting Detective noted that WALLS was lying on his left side. WALLS' remains were facing north with his head pointing to the west and his feet pointing to the east.
