### **SUMMARY OF INCIDENT:**

On 24 June 08, at approximately 1704 hours, Officer A and Officer B were assigned to Beat 2561B. Officer A and Officer B were in civilian dress. Officer A and Officer B rode in their unmarked squad car on routine patrol. Officer A drove the squad car south on Kilbourn near Parker, at the north end of Kelvyn Park. The officers observed a light-colored SUV double-parked on Kilbourn, south of Parker. A male, later identified as the subject Subject 1, stood on the driver's side of the SUV and talked with the driver. The SUV faced south and obstructed traffic. When the squad car approached the SUV and was approximately two car-lengths away, Subject 1 looked at the officers and mouthed the words, "Oh, shit." Subject 1 stepped away from the SUV. The SUV pulled away and continued southbound on Kilbourn.

Subject 1 walked to the east sidewalk of Kilbourn and grabbed the hand of a female, later identified as Witness 1, Subject 1's girlfriend. Subject 1 and Witness 1 walked south. Officer A ordered Subject 1 and Witness 1 to come to the squad car. Officer A intended to conduct a field interview. Subject 1 ran north on Kilbourn. Officer A exited the squad car and said, "Stop, police." Subject 1 continued to flee on foot and began to remove a weapon from his pants. Subject 1 raised his weapon. Officer A observed Subject 1's weapon and drew his own weapon. Officer A ordered Subject 1 to drop his weapon. Officer B at first remained in the squad car, but then exited the car and also ran north on Kilbourn to parallel Subject 1 and Officer A. Officer B observed Subject 1 remove a gun from his waistband and yelled, "He's got a gun!" Subject 1 turned and pointed his gun at Officer A. Officer A fired six rounds at Subject 1, who was struck once. Subject 1 fell down with his gun still in his hand. The gun then slid to the curb. The officers secured the gun and called for an ambulance. ## INVESTIGATION:

**Witness 1** related to the **Roundtable Panel** that she was with Subject 1 at a residence prior to going to Kelvyn Park. As Subject 1 and Witness 1 left the residence, Subject 1 pulled up his pants. Subject 1 wore a t-shirt, “untucked,” over the waist bands of his pants. When Subject 1 and Witness 1 walked to Kelvyn Park, Subject 1 met his cousin, “[Name Withheld],” and two unknown males and an unknown female. The group walked into an alley west of Kilbourn and south of Parker. Subject 1 asked one of the unknown males, who was Hispanic, if he (the unknown male Hispanic) had set up Subject 1 to be killed. The unknown Hispanic subject told Subject 1 that if that had happened, Subject 1 would be dead already. Subject 1 and Witness 1 then walked from the alley east to Kilbourn. Subject 1 spoke with the driver of a SUV that was double-parked on Kilbourn. Subject 1 then walked to the east sidewalk where Witness 1 was standing. Subject 1 took Witness 1’s right hand with his left hand. Subject 1 and Witness 1 walked south three or four steps and an unmarked squad car stopped them on Kilbourn. The driver officer<sup>1</sup> said, “You two, come here.” Subject 1 ran away on Kilbourn. Witness 1 looked at the officers and saw one officer shoot at Subject 1. Witness 1 did not see Subject 1’s hands before he was shot. Witness 1 did not see Subject 1 in possession of a gun during the day and had not seen him with a gun in the past.

**Witness 2** stated<sup>2</sup> to the **Roundtable Panel** that she was walking south on Kilbourn from Diversey on the west sidewalk. She crossed from the northwest corner of Kilbourn and Parker to the southwest corner of that intersection. As Witness 2 was walking she saw a police car have an “interaction<sup>3</sup>” with Subject 1 on Kilbourn. Witness 2 observed officers chasing Subject 1. Subject 1 ran north on the east side of Kilbourn. Witness 2 was on the southwest corner when she saw Subject 1 pull out a gun from his waistband. Subject 1 had the gun in his right hand. Witness 2 described the gun as a “long, big gun” that was black and brown. Subject 1 began to turn around, making a “half-turn” to his left, toward the police officers. Witness 2 did not hear anyone say, “He’s got a gun,” at any time. Witness 2 stated that it was “quiet” before the shots were fired. The officers used their radios, but she was not sure whom the officers were contacting via radio.

**Officer B** stated to the **Roundtable Panel** that he and Officer A were on routine patrol on Kilbourn. Officer B saw a white SUV, which was facing south and blocking traffic on Kilbourn. A male Hispanic, now known to be the subject, Subject 1, was outside the SUV talking to the SUV’s driver. The squad car was close to the SUV when Officer B saw Subject 1 mouth the words, “Oh, shit.” Subject 1 then walked to the east sidewalk on Kilbourn to a female, Witness 1, who was standing there. The SUV drove away southbound on Kilbourn. Subject 1 grabbed one of Witness 1’s hands and started walking south with her. Officer A called out to Subject 1 and Witness 1 and told them to come to the squad car. Officer A opened the driver’s side door of the squad car. Subject 1 ran north on Kilbourn to the sidewalk, toward Parker Street. Officer A ran after Subject 1.

Officer B moved to the driver's side of the squad car, but then exited the car and ran north on the west side of Kilbourn to parallel the foot chase. Officer B said he was "quite a few" steps behind Officer A. Officer B heard Officer A state, "Stop, police. Halt, police." Subject 1 ran on a line toward the southwest corner of Kilbourn and Parker. Officer B saw Subject 1 use his right hand to pull something out his waistband. Officer B then observed that Subject 1 had pulled out a blue-steel revolver. Officer B yelled, "Gun!" Officer B did not know if Officer A heard him. Officer B observed Subject 1 point his gun at Officer A. Officer A fired several times at Subject 1. Subject 1 took two steps and fell to the ground. Subject 1's gun hit the ground while it was still in Subject 1's hand. The gun then slid to the west curb. Officer B used his radio to report the shooting and requested an ambulance. Officer B stated that he did not know Subject 1 from any previous incidents. Officer B did not hear Subject 1 say anything during the incident. Officer B stated that he withdrew his weapon when he saw Subject 1's gun. Officer B did not fire his weapon.

**Officer A** stated to the **Roundtable Panel** that he and Officer B were on routine patrol when they observed a SUV double-parked on Kilbourn south of Parker. A male, Subject 1, was leaning into the driver's side of the SUV, talking to the SUV's driver. As Officer A drove the squad car south on Kilbourn, he observed a female, Witness 1, on the east sidewalk. As the squad car approached, Subject 1 looked in the officers' direction and mouthed the words, "Oh, shit." Subject 1 quickly walked away from the SUV and went to the east sidewalk. The SUV drove south on Kilbourn, Subject 1 forcefully grabbed one of Witness 1's hands and walked with her south toward Wrightwood. Officer A asked Subject 1 and Witness 1 to come to the squad car. Officer A began exiting the squad car. Subject 1 looked at Officer A and fled on foot north on Kilbourn.

Officer A ran after Subject 1. Officer A observed Subject 1 reaching into his waistband and saw that he had a gun. Officer A withdrew his weapon and stated, "Stop, police. Let me see hands, Drop the gun." Subject 1 pointed his gun at Officer A, who in fear of his life, fired six shots at Subject 1, who fell to the ground. When Subject 1 fell, Subject 1's gun slid toward the west curb. Officer A and Officer B reported the incident on the radio and requested an ambulance. Officer A stated that he did not know if he had contact with Subject 1 in the past because he (Officer A) patrols the Kelvyn Park vicinity. Officer A stated that he wanted to conduct a field interview with Subject 1 and Witness 1 because he did not know what Subject 1 was doing while leaning into the SUV. Subject 1's hands were moving back and forth while he talked with the SUV driver. Officer A was also concerned because Subject 1 moved away from the SUV and mouthed, "Oh, shit," when he saw the officers. Officer A did not hear Subject 1 say anything during the incident.

**CPD Detective A** related to the **Roundtable Panel** that he and CPD Detective B and CPD Detective C went to the Medical Examiner's Office and observed Subject 1's body. Witness 1 was with Subject 1 on the date of the incident at Subject 1's aunt's, "[Name Withheld]" (also called "[Name Withheld]"), apartment located on the 2500 block of N. Kilbourn. Just before the incident, Subject 1 asked Witness 1 if she wanted to go to Kelvyn Park and Witness 1 agreed. As Subject 1 and Witness 1 exited the residence on the 2500 block of N. Kilbourn, Witness 1 observed Subject 1 pull up his pants briefly. Witness 1 did not see a gun on Subject 1 at that time, including his waistband. Subject 1's white "dago-tee" was worn over his jean shorts, down to the middle of his thighs. Subject 1 saw his friend, "[Name Withheld]," sitting on a bench. "[Name Withheld]" got off the bench and walked towards Subject 1. Subject 1 and "[Name Withheld]" spoke to each other for "two seconds" and then Subject 1 continued walking with Witness 1. Witness 1 and Subject 1 walked north on Kilbourn toward Kelvyn Park. They walked to the tennis court area near Kilbourn where Subject 1 talked to his cousin, "[Name Withheld]."

Witness 1, Subject 1, "[Name Withheld]," "[Name Withheld]," and a third unknown male Hispanic and an unknown female Hispanic walked into the alley just west of the park between Parker and Schubert. Witness 1 then left the alley. About ten seconds later, Witness 1 told Subject 1, "Let's go." Witness 1 and Subject 1 walked across Kilbourn to the sidewalk next to Kelvyn Park, near the tennis court. ### **CONCLUSION AND FINDING:**

This investigation found that the use of deadly force by Officer A was in compliance with Chicago Police Department policy and Illinois State statutes. According to the Chicago Police Department's General Order 02-08-03, III:

- A. "a sworn member is justified in using force likely to cause death or great bodily harm only when he or she reasonably believes that such force is necessary:
  - 1. to prevent death or great bodily harm to the sworn member or to another person, or:
  - 2. to prevent an arrest from being defeated by resistance or escape and the sworn member reasonably believes that the person to be arrested:
    - a. has committed or has attempted to commit a forcible felony which involves the infliction, threatened infliction, or threatened use of physical force likely to cause death or great bodily harm or;
    - b. is attempting to escape by use of a deadly weapon or;
    - c. otherwise indicates that he or she will endanger human life or inflict great bodily harm unless arrested without delay."

Officer A's actions met the requirements of the Chicago Police Department's deadly force policy. A large handgun was recovered from the scene and both officers stated that Subject 1 had pointed the weapon at Officer A. Subject 1's actions in fleeing from police and then pointing a weapon in the officers' direction constituted a reasonable threat to the officers and a large crowd of bystanders in the park.
