Re: IPRA Log #1083291

Dear Capt. Joyce:

This is in response to your letter of today requesting a 30-day extension of time to release the audio, video, and documentary evidence relating to the above-referenced log number pursuant to Section IV(B) of the City's Transparency Policy. As set forth in your letter, this request is being made because CPD believes that release of these materials at this time, without further redaction, would disclose specialized investigative techniques, which would result in demonstrable harm to CPD, and could also endanger the life or physical safety of law enforcement personnel.

Accordingly, this will confirm that this request is granted pursuant to Section IV(B) of the Transparency Policy, and that such remaining materials shall be released, in such redacted form to obviate the above-mentioned concerns, on or before March 3, 2017.

Very truly yours,

Stephen R. Patton
Corporation Counsel
