This report is filed pursuant to Municipal Code Section 2-57-110, which requires the filing of quarterly reports. This quarterly report provides information for the period October 1, 2008 through December 31, 2008. The information contained in this report is accurate as of December 31, 2008.

Quarterly Overview

In the past quarter IPRA closed 692 pending investigations. This is the third quarter in a row where IPRA has been able to close, on average, more than 220 cases per month.

IPRA retained 699 matters for investigation, continuing the trend of an increasing number of investigations opened and retained by IPRA. This increase is due to a number of factors, including the expanded jurisdiction of IPRA, as well as better reporting of uses of Tasers and an increase in and better tracking of lawsuits filed against the CPD. The net result is that despite closing a large number of investigations, IPRA opened 7 more investigation than it closed.

During this quarter, pursuant to the ordinance, IPRA referred 1638 investigations to the Internal Affairs Division of the Chicago Police Department for resolution.

The chart above shows IPRA’s cumulative figures for the past 16 months. In this past quarter, while the total number of complaints and notification decreased, the number IPRA retained increased in both absolute and relative terms.¹

These numbers reflect IPRA’s success in increasing its output of completed investigations. Investigative staff hired to fill vacancies at IPRA continued to be trained during this time period, but also began assuming increased responsibility for investigations, increasing IPRA’s capacity to complete investigations. In addition, IPRA continued to examine ways to use limited investigator resources more efficiently. IPRA investigators and staff continued working hours of overtime to complete additional investigations. Notably, during the majority of this time period, IPRA did not have outside experts working alongside our investigators and assisting with completing investigations.

IPRA remains committed to completing investigations in a timely manner. This goal can be reached, for all but exceptional cases, when IPRA is fully staffed with trained investigators. During this quarter, IPRA completed more than 60% of the investigations started six months earlier within those six months.

During this quarter, IPRA investigative staff continued receiving training. IPRA continued in this quarter to meet with elected officials, community residents, community based organizations, and faith based institutions to explain IPRA’s new process and new mandate, as well as to open lines of communication.

2-57-110(1): The number of investigations initiated since the last report

Between October 1, 2008 and December 31, 2008, IPRA issued 2337 Log Numbers. Of these Log Numbers, IPRA retained 699 for resolution. IPRA forwarded the remaining 1638 Log Numbers to the Internal Affairs Division of the Chicago Police Department for appropriate resolution.

Of the 699 Log Numbers retained by IPRA, IPRA classified 163 as Complaint Register Numbers. In addition, IPRA began Pre-affidavit Investigations for 416 of the Log Numbers retained by IPRA. The remainder of the retained Log Numbers consisted of 14 Log Numbers for shootings where an individual was hit by a bullet and a “U Number” was issued, 7 for shootings where no one was hit by a bullet, 24 for shots fired at animals, 35 for reported uses of tasers, 24 for reported uses of pepper spray, ² and 16 for Extraordinary Occurrences.

¹ Pursuant to the IPRA Ordinance, certain events trigger an IPRA investigation even in the absence of an allegation of misconduct. The term “notification” refers to those events that IPRA investigates where there is no alleged misconduct.

² As of December 31, 2007, IPRA issued a Log Number for notifications of uses of taser, pepper spray, or for shootings where no one is injured only if it received a telephonic notification of the incident or there was an allegation of misconduct. As of January 1, 2008, IPRA implemented procedures to issue Log Numbers for all uses of taser and shootings, regardless of the method of notification. In addition CPD issued a reminder to CPD personnel to provide notification to IPRA.
2-57-110(2): The number of investigations concluded since the last report

Since October 1, 2008, IPRA closed 692 Log Numbers. A Log Number is considered closed when IPRA completes its work on the matter, regardless of whether the Police Department is still processing the results.

2-57-110(3): The number of investigations pending as of the report date

As of December 31, 2008, there were 1562 investigations pending completion by IPRA. These include both allegations that have received Complaint Register Numbers, and those being followed under a Log Number, as well as shootings, and Extraordinary Occurrences.

2-57-110(4): The number of complaints not sustained since the last report

Between October 1, 2008 and December 31, 2008, IPRA recommended that 183 investigations be closed as “not sustained.”

In addition, 298 cases were closed after a Pre-affidavit Investigation because the complainants refused to sign an affidavit. IPRA recommended that 91 investigations be closed as “unfounded,” and 5 be closed as “exonerated.”

2-57-110(5): The number of complaints sustained since the last report

Between October 1, 2008 and December 31, 2008, IPRA recommended that 12 cases be closed as sustained.

---

3 The term “not sustained” is a term of art in police misconduct investigations. It is defined in CPD G.O. 93-3 as “when there is insufficient evidence either to prove or disprove allegation.” In addition, cases may be “unfounded,” which means “the allegation is false or not factual.”
Between October 1, 2008 and December 31, 2008, IPRA received complaints of alleged misconduct based on incidents in the following districts, as follows:

| District 01 = 91 | District 08 = 133 | District 14 = 57 | District 20 = 26 |
| District 02 = 77 | District 09 = 103 | District 15 = 109 | District 21 = 48 |
| District 03 = 122 | District 10 = 88 | District 16 = 66 | District 22 = 85 |
| District 04 = 124 | District 11 = 164 | District 17 = 33 | District 23 = 41 |
| District 05 = 117 | District 12 = 44 | District 18 = 89 | District 24 = 70 |
| District 06 = 147 | District 13 = 35 | District 19 = 54 | District 25 = 120 |
| District 07 = 143 |

2-57-110(7): The number of complaints filed against each officer in each district since the last report

(See Attachment)

2-57-110(8): The number of complaints referred to other agencies and the identity of such other agencies

Between October 1, 2008 and December 31, 2008, IPRA referred 1666 cases to other agencies as follows:

Chicago Police Department – Internal Affairs Division = 1638
Cook County State’s Attorney = 28

4 “Complaints” is defined as all reports of alleged misconduct, whether from the community or from a source internal to the Police Department, whether a Complaint Register number has been issued or not. This does not include, absent an allegation of misconduct, reports of uses of Tasers, pepper spray, discharges of weapons whether hitting an individual or not, or Extraordinary Occurrences. Districts are identified based on the district where the alleged misconduct occurred. Some complaints occurred in more than one District, they are counted in each district where they occurred. This list does include confidential complaints.

5 This uses the same definition of “complaints” as the preceding section. Except as otherwise noted, if a member was assigned to one unit but detailed to another at the time of the complaint, the member is listed under the detailed unit.
