Re: IPRA Log #1086544

Dear Patricia:

This is in response to the letter of Assistant Cook County State's Attorney Lynn McCarthy dated October 25, 2017, requesting a 30-day extension of time to release the narrative portion of the Hazel Crest Armed Robbery Offense/Incident Report related to this incident. As set forth in Ms. McCarthy's letter, this request is being made because the Office of the Cook County State's Attorney believes that release of the specific information contained in that narrative at this time will interfere with its ongoing investigation in this matter. As to the remainder of that report, and all other reports, no extension of time is given.

Accordingly, this will confirm that this request is granted pursuant to Section IV(B) of the Transparency Policy, and that the redacted portion of the Hazel Crest Armed Robbery Offense/Incident Report shall be released on or before November 24, 2017.

Very truly yours,

Edward N. Siskel
