## V. INVESTIGATION<sup>1</sup>

### a. Interviews

COPA interviewed the complainant, **Involved Individual 1**, on August 1, 2018.<sup>2</sup> On July 21, 2018 at about 7:30 AM, he dropped off his cousin, Civilian 1 [*phonetic*], at Chicago O'Hare International Airport (O'Hare) on the bottom level. Involved Individual 1 clarified that the bottom level is for arrivals, but Civilian 1 wanted to go to the McDonald's on the bottom level before his flight. Involved Individual 1 asserted he was not working as a taxi or uber driver; and the passenger was not a customer. Involved Individual 1 was pulling away and CPD officers pulled him over as he was getting on the highway. The officers were in an unmarked black SUV and not in uniform. Involved Individual 1 was in his personal vehicle at the time. Officer A and Officer B arrested Involved Individual 1 for trespassing. After he was handcuffed, a Department member named Officer C transported Involved Individual 1 to the police station.<sup>3</sup> Involved Individual 1's car his car was eventually towed from O'Hare to an auto pound at Sacramento and Chicago, where he retrieved it. When Involved Individual 1 got his car from the auto pound, he went to put on his Ray-Ban sunglasses, but they were not there. Involved Individual 1 believed someone from CPD took both his sunglasses and a pen from his car. He specifically suspected Officer A.

Involved Individual 1 stated he has never previously received a warning from CPD about trespassing at O'Hare. Involved Individual 1 reported he was arrested once before at O'Hare in 2011, stemming from an argument. Involved Individual 1 related he has been going to O'Hare for about 25 years. He is a limo driver and also drives family and friends to the airport. Involved Individual 1 believed Officer A "has it in" for him.<sup>4</sup> Involved Individual 1 believed Officer A arrested him because the officer does not like Involved Individual 1. Involved Individual 1 did not know why Officer A thought he was trespassing and the airport had never given Involved Individual 1 an "official statement" he was trespassing.<sup>5</sup>

Involved Individual 1 related that at the time of his COPA interview, he had interacted with Officer A about five times. On July 28, 2018, Involved Individual 1 was picking up his lawyer Civilian 2's relative, named Civilian 3. He did so as a favor, not as a fare. This resulted in Officer A again arresting Involved Individual 1 for trespassing. The first time Involved Individual 1 interacted with Officer A was in 2018. On this first occasion, Officer A asked where Uber was, then pulled out his badge and was "checking [Involved Individual 1] out."<sup>6</sup> Involved Individual 1 denied that Officer A ever explained to Involved Individual 1 that he needed to follow airport rules.

COPA interviewed **Officer A** on September 21, 2018.<sup>7</sup> On July 21, 2018, Officer A was in an unmarked police vehicle that was either a white pick-up truck or a black SUV. Officer A was on routine patrol at O'Hare on the lower level, near Terminal 5, when he saw Involved Individual

1. The officers recognized Involved Individual 1's car from past encounters. Involved Individual 1 was seated in his car at Terminal 5 on the outside lane, which is typically for arriving passengers. Involved Individual 1 was alone in his car and the officers saw no one else enter or exit his vehicle. When the officers approached, Involved Individual 1 drove off. The officers pulled Involved Individual 1 over shortly after, while on airport property. Involved Individual 1 was stopped because the officers had previously told him he could not be at the airport without legitimate business. Per Officer A, Involved Individual 1 had no legal authority to be there because he does not have a chauffer's or taxi license, but said he was there for a fare. Officer A described Involved Individual 1 as aggressive, swearing, and screaming. Officer A elaborated that Involved Individual 1 was stiff and agitated, but not physically aggressive. After the arrest, Officer A drove Involved Individual 1's car, because a tow was unavailable. Officer A did not see sunglasses or a pen in Involved Individual 1's car. Officer A denied that either he or Officer B took Involved Individual 1's property.

Officer A interacted with Involved Individual 1 prior to this incident. Involved Individual 1 was arrested on a signed complaint for an assault on an airport employee. Officer A asserted that when he arrested Involved Individual 1 for assault, he told Involved Individual 1 he could not be at O'Hare without legitimate business. Officer A had also written Involved Individual 1 a ticket. Officer A described Involved Individual 1 as a known solicitor because Involved Individual 1 sits outside of Terminal 5, trying to get fares. Officer A arrested Involved Individual 1 again the week after July 21, 2018. Officer A denied targeting Involved Individual 1.

**Officer B** was interviewed by COPA on September 12, 2018.<sup>8</sup> On July 21, 2018, Officer B was in plain clothing, operating a white pick-up truck, and partnered with Officer A. The officers saw Involved Individual 1 in the passenger pick-up lane at Terminal 5. Involved Individual 1 was sitting in his car and the officers approached from behind. Officer B did not see anyone exiting or entering Involved Individual 1's car. The officers recognized Involved Individual 1's car and parked behind him. As they were exiting their vehicle, Involved Individual 1 drove off. The officers returned to their vehicle and pulled Involved Individual 1 over while on airport property. Involved Individual 1 told the officers he was trying to get a fare. Officer B related that Involved Individual 1 does not have a chauffer's license and is not ride-share or taxi driver. Involved Individual 1 acts like, and tells passengers he is, a taxi driver, but he is not. Officer B describe Involved Individual 1 as mean and insulting towards the officers. Involved Individual 1's car was taken as arrestee property after the arrest. Officer B believed Officer A drove Involved Individual 1's car to the police station because a tow truck was unavailable. Officer B did not see any sunglasses or a pen in Involved Individual 1's car and denied that either he or his partner took Involved Individual 1's property. Officer B stated that he arrested Involved Individual 1 a week earlier for assaulting an airport employee after the employee told Involved Individual 1 to leave. On this previous occasion, Officer B personally told Involved Individual 1 he was trespassing at O'Hare. About a week after July 21, 2018, Officer B arrested Involved Individual 1 again for trespassing at O'Hare.

## **b. Digital Evidence**

<sup>8</sup> Att. 27

**Security video footage** was obtained from O'Hare on July 21, 2018.<sup>9</sup> Involved Individual 1 and his silver Toyota Camry was seen on camera. Throughout the footage, Involved Individual 1 was seen arriving, remaining at the terminal for extended periods, then driving off. This occurred at least five times between approximately 6:40 AM and 7:31 AM. At no point was anyone other than Involved Individual 1 seen exiting or entering his vehicle.

**c. Physical Evidence**

No relevant, physical evidence was obtained pertaining to the present investigation.

**d. Documentary Evidence**

Involved Individual 1's **Arrest Report** from July 21, 2018 was located with **RD #XXXX**.<sup>10</sup> Involved Individual 1 was charged with misdemeanor criminal trespass to state land. The arresting officers saw Involved Individual 1 in his parked car at O'Hare. Involved Individual 1 "is a known solicitor at O'Hare Airport and has been warned on several occasions of the no trespassing policy." As Involved Individual 1 "had no legitimate business at O'Hare Airport," he was arrested. Involved Individual 1 was transported by one officer from Beat XXXX. Involved Individual 1's car was impounded. No inventory number was provided in association with the impoundment.

An **Original Case Incident Report** was obtained for **RD #XXXX**.<sup>11</sup> On July 8, 2018, Involved Individual 1 was arrested by Officers B and A after Involved Individual 1 assaulted a Chicago Department of Aviation employee named. The employee "caught [Involved Individual 1] illegally soliciting passengers for rides in the lower terminal." On July 8, 2018, Officers B and A told Involved Individual 1 "he is only allowed back at the airport if he has official business to conduct, otherwise he would be arrested for criminal trespass." On July 21, 2018, the officers again saw Involved Individual 1, "parked in the outside lane of the lower terminal [...] where passengers get picked up." Involved Individual 1 saw the officers "and began to flee." The officers "activated their emergency equipment and curbed the offender [...]" Involved Individual 1 "freely" told the officers he was "waiting on fares," and Involved Individual 1 was arrested. O'Hare video surveillance showed Involved Individual 1 approaching "numerous passengers standing on the curb" as well as "leaving and coming back numerous times when he observes [...] authority units approaching."

A **Case Supplementary Report** was located for **RD #XXXX** that contained no additional, relevant information.<sup>12</sup>

**Inventory Sheets** for **RD #XXXX** included video of Involved Individual 1's criminal trespass at O'Hare, eyedrops, a wallet, and jewelry. Neither sunglasses nor a pen was inventoried.

Involved Individual 1 got out of his car and charged at an airport employee "in a provoking manner, stating I'm going to fuck you up you fag." On July 8, 2018, Involved Individual 1 was arrested after the employee again saw Involved Individual 1 at O'Hare.
- On November 3, 2017, Involved Individual 1 was arrested by Officer F for aggravated assault to a transit employee.<sup>17</sup> On this date, an O'Hare ground transportation manager told Officer F that Involved Individual 1 was a "known 'cab hustler'" and "calling airport passengers to his vehicle in an attempt to solicit a fare." When the officer approached Involved Individual 1, he told the officer he was picking "up a family member." Officer F told Involved Individual 1 he needed to move. ## VI. ANALYSIS

Allegation 1 against Officers B and A, that they arrested Involved Individual 1 for trespassing without justification, is **Exonerated**. According to Illinois State Law 720 ILCS 5/21-5-A, “A person commits criminal trespass to State supported land when he or she enters upon land [...] after receiving, prior to the entry, notice [...] that entry is forbidden [...] A person has received notice [...] if he or she has been notified personally, either orally or in writing [...]” Involved Individual 1 was previously arrested for trespassing at O’Hare on July 4, 2007 and had multiple police interactions at O’Hare prior to his July 21, 2018 arrest. These arrests and interactions indicate both the police and airport employees made Involved Individual 1 aware he was not allowed on O’Hare property without legitimate business. Further, both Officer B and Officer A reported they previously told Involved Individual 1 that if he was at O’Hare without legitimate business, he would be trespassing. While Involved Individual 1 related he was at O’Hare dropping of a relative on July 21, 2018, video evidence disproves this claim. Rather, it appears Involved Individual 1 was attempting to solicit fares at O’Hare airport, which his previous arrests at O’Hare

<sup>18</sup> Att. 21

<sup>19</sup> Att. 22

<sup>20</sup> Att. 23

<sup>21</sup> Att. 24

indicate he has a history of doing. Since Involved Individual 1 had received prior warnings and was not engaged in legitimate business, his arrest was lawful and this allegation is Exonerated.

Allegation 2 against Officer A and Officer B, that they impounded Involved Individual 1’s car without justification, is **Exonerated**. As stated above, Involved Individual 1’s arrest was legal and justified. According to General Order G07-3, officers can move arrestee’s vehicles “without the owner’s consent when a situation dictates its relocation.” Involved Individual 1’s car needed to be moved and the officers were justified in moving it. Since Involved Individual 1 was under arrest and his vehicle could not be left at O’Hare, the officers were within policy and this claim is Exonerated.

Allegation 3, that Officers A and B stole property from Involved Individual 1, to wit: Ray-Ban sunglasses and a pen, is **Unfounded**. While the officers acknowledged they moved Involved Individual 1’s car, they denied taking his personal property. In contrast, Involved Individual 1 is not credible based on inconsistencies and fabrications in his COPA interview.

First, Involved Individual 1 alleged he was dropping off his cousin at about 7:30 AM. However, Involved Individual 1 was first seen on O’Hare security footage at about 6:40 AM. Surveillance video shows his car coming and going from Terminal 5 multiple times. At no point did anyone other than Involved Individual 1 enter or exit the vehicle as he claimed. Next, Involved Individual 1 told COPA he only had one negative police issue at O’Hare airport, which occurred in 2011. In contrast, his arrest history shows that Involved Individual 1 was arrested five times at O’Hare prior to this incident, including a previous arrest for trespassing. Additionally, Involved Individual 1 was arrested at O’Hare two more times after this arrest. Lastly, the address Involved Individual 1 provided to COPA, which is also on his Illinois driver’s license, XXXX, is not a dwelling. Rather, the address is a post office box located within a UPS Store. According to the Illinois Secretary of State, a P.O. Box is not valid for an Illinois driver’s license if that person resides in a city with a population over 3,500.<sup>22 23</sup> Therefore, based on Involved Individual 1’s lack of credibility and the absence of any evidence to prove his assertion, this allegation is Unfounded.

**VII. CONCLUSION**

Based on the analysis set forth above, COPA makes the following findings:

<b>Officer</b>	<b>Allegation</b>	<b>Finding</b>
Officer A	1. Arrested Involved Individual 1 for trespassing without justification, in violation of Rule 1.	Exonerated
	2. Impounded Involved Individual 1’s car without justification, in violation of Rule 1.	Exonerated
