Re: COPA Log No. 2019-1099

Dear Chief Administrator Roberts and General Counsel O'Malley:

This is in response to the letter of Chicago Police Department ("CPD") General Counsel Dana O'Malley dated July 1, 2019, requesting a 30-day extension of time to release the third-party video related to this incident. As set forth in General Counsel O'Malley's letter, CPD is making this request because it believes that release of the third-party video at this time could obstruct the ongoing homicide investigation. CPD has not sought an extension for the release of the remainder of the materials connected with this incident.

Accordingly, this will confirm that this request is granted pursuant to Section IV(B) of the Transparency Policy, and that the third-party video related to this incident will be released on or before August 1, 2019.

Very truly yours,

Mark A. Flessner
Corporation Counsel
