her home.<sup>3</sup> █████ contends that she has seen multiple police cars outside her home, and she believes that these vehicles are occupied by Brackins and/or her █████.<sup>4</sup> Lastly, █████ also contends that her children were removed from the home by the Department of Children and Family Services (“DCFS”) due to Brackin’s involvement in the case.<sup>5</sup>

█████ explained to COPA investigators that, prior to November 3, 2019, █████ (█████ of Brackin, lived with her at her home. On November 3, 2019, at or around 5:30 p.m., Brackin’s █████ repeatedly kicked at the door at █████ residence which purportedly caused damaged to the door. According to █████ account in the no contact order, █████ stated that he would kick the door off the hinges and pull █████ out to beat his ass.<sup>6</sup> █████ then called the police before █████ finally left her residence. █████ alleges that Brackin has also stated words to the effect of, “bitch” and/or “pig” in reference to her in an exchange of text messages.<sup>7</sup>

Furthermore, during her interview with COPA on February 2, 2021, **Officer Brackin** informed COPA that her █████ is █████, and she was not aware that her █████ showed up at █████ residence on November 3, 2019.<sup>8</sup> Brackin also explained that she was also unaware that █████ obtained a ‘no contact’ order against her █████ and was unaware of the reason for the order.<sup>9</sup> Brackin then stated that she does not recall stating words to the effect of, “pig,” “bitch,” “shrek,” “disgusting,” “nasty,” “drunk” or a “bad mom” in reference to █████ via text messages.<sup>10</sup> Brackin maintains that she has never reported █████ and her children to social services for the purpose of child welfare.<sup>11</sup> Brackin learned from █████ mother that █████ children were removed from the home by child services.<sup>12</sup>

Finally, despite having no BWC footage, the relevant no contact order indicates that the **no contact order** was filed against █████, who is not a member of the Chicago Police Department.<sup>13</sup> Additionally, the **Event Query**<sup>14</sup> indicates that █████ called to report an assault by █████ on November 3, 2019, at or around 6:41 pm. The **Original Case Incident Report**<sup>15</sup> indicates that █████ caused damaged to the door at █████ and stated that he was going to pull █████ out and kick his ass.

III. ANALYSIS AND CONCLUSION

*Officer Carly Brackin*

- a. **Officer Brackin stated words to the effect of, “bitch” and/or “pig” in reference to**

██████████

COPA recommends a finding of **NOT SUSTAINED** against Officer Brackin, in that she stated words to the effect of, “bitch” and/or “pig” in reference to ██████. Here, in her interview with COPA, Officer Brackin maintains that she does not recall making these statements, which is different from the account given by ██████<sup>16</sup> ██████ failed to provide text messages documenting this incident. Thus, there is insufficient evidence to prove or disprove that these statements were made by Officer Brackin. For these reasons, COPA finds that this allegation against Officer Brackin is **NOT SUSTAINED**.
