**Re: Log # 1082375
Request for Additional Investigation for
Police Officer David Brown #15887**

Dear Chief Administrator Roberts:

The Department has reviewed COPA's investigation concerning allegations that Police Officer David Brown interfered with IPRA's investigation into allegations that he threatened a mechanic during an off-duty incident. The undersigned requests additional investigation pursuant to MCC 2-57-060(b).

COPA sustained two (2) allegations that Officer Brown threatened to arrest the complainant for filing a false police report and Officer Brown violated Department Orders when he contacted a witness in this disciplinary investigation.

The Department requests that COPA should ascertain whether Officer Brown used Department databases to obtain information about the witness prior to contacting the witness.

Sincerely,

Eddie T. Johnson
Superintendent of Police
Chicago Police Department
